Enjoy the Perfect Relaxing by Having Encoreian Four Hands Massage

Warmest greetings from Ramada Encore Bali Seminyak!

Dear Sir/Madam

Kuta - Seminyak, Bali – Inspired by Indonesian traditional heritage, which is accentuating the balance, beautiful movement and health, Madhavi Spa from Ramada Encore Bali Seminyak operated by Topotels created a new treatment, Encoreian Four Hands Massage.

Encoreian Four Hands massage is a special massage therapy for those who seek perfect relaxation. As one of favourites massages, Encoreian Four Hands Massage is the right choice for pampering your body.

When enjoying the Encoreian Four Hands massage, you will immediately feel the rejuvenating effect on your body. Why? Because, two therapists will give you the best treatment to refresh your body. You will get the perfect treatment which is acupuncture technique combines with traditional Balinese massage and Hawaiian Lomi – Lomi.

There are many benefits when you have Encoreian Four Hands massage. The acupuncture technique of Encoreian Four Hands massage creates a beautiful movement, which produce excellent pressure that perfectly delivered to the main nerve. However, it also applied to your foot during massage, it helps you to accelerate blood circulations and to recall energy.
